Marlpool weekly News 25.04.25

This week

We would like to start by saying a big thank you to the children. We have had visitors in school this week and they were really impressed with how well all the children demonstrated their **REACH** values! In art this week, Year 1 and 2 have been looking at the work of the artist Stephen Lowry, and reception children have created transient spring art together using flowers, plants and leaves. Class 1 have started their history learning by looking at schools over time, starting with the Victorian era.

Creative homework

As part of their PSHE learning, the children have been looking at the 3R's – reduce, reuse, recycle. We would like them to make something useful - a bird feeder or pencil pot, for example - out of recycled materials. They can either bring their projects into school or send a photo to the school office email if this is not practical. All projects need to be in school on Wednesday 21st May.

Collins E-books

We are aware that there has been an issue with accessing the Collins e-book app this week. Please try updating the app in the first instance. If you are still unable to access your child's e-book, then please read any available book and record it in your child's reading record. Children only need 4 stars to get a dip in the Reading Rocket prize box this term

Cross Country

If your child is taking part in the cross country competition at Shipley park on Tuesday, you can come and collect them at 2:30 to allow time to change and travel to the park.

Next week:

In class 1, we will be reading "The owl and the pussycat" poem - linked to our history learning - and class 2 will be using non-fiction texts to find out about Queen Victoria.

In Maths, Reception will look at 3d shapes, Year 1 will continue with Multiplication and division and Year 2 will be getting to grips with fractions.

Diary Dates

Tuesday 29th April – KS1 Cross Country Competition 3-4pm
Monday 5th May – May Day Bank Holiday
Tuesday 6th May – Intergenerational Project
Friday 23rd May – last day of term

Don't forget our class email if you have any questions for us.
